NOTE FOR:

FROM : Ed Proctor *Ed*

SUBJECT : Status of Briefing Project  
for Jack Marsh

This is in response to the Director's question about the status of the briefing project we did for Jack Marsh.

The project was completed on 8 April when we delivered two copies of the briefing package to the Executive Office Building. The package consisted of an 80-slide carousel tray and a manuscript.

The following week, on 16 April, we received a telephone call from Mr. Marsh's office. The young lady on the other end of the line told us that Mr. Marsh intended to use the briefing that day for a group of Congressmen and asked, "could we please provide them a slide projector". We gave them our slide projector on indefinite loan, for which they signed a property slip. We have heard nothing since.

NOTE FOR ED

*raised  
again  
today*

You might mention to Mr. Bush that  
sometime ago Jack Marsh asked us if we  
could work up a worldwide briefing that  
members of the Executive and Congress  
(both Parties) could use in briefing their  
constituencies. We have been working on a  
pilot briefing.

One of Marsh's staffers has now let  
us know that Marsh wants this moved along  
and would like to present it at a Cabinet  
meeting sometime soon.

The staffer will come over on Monday  
to discuss the project with [redacted]  
and [redacted]
